

Residency Experiences

OUR RESIDENTS HAVE ABUNDANT HANDS-ON OPPORTUNITIES

Kelley-Ross offers a wide variety of experiences because we want our residents involved across our service lines, across our divisions, and embracing the full spectrum of what it means to be a healthcare professional. This includes direct patient care, service development, precepting, business planning, staff development, leadership, and more. Below are examples of required and optional components of our residency program.

<p><u>Company-Wide Opportunities</u></p> <ul style="list-style-type: none">• Medication use evaluations• Quality improvement projects• Coordination and development of Journal Club for staff• Intern/APPE student precepting and related projects• Community presentations, presentations to outside providers/entities• Develop a teaching philosophy and receive a teaching certificate from the University of Washington School of Pharmacy• Creation and presentation of business plan• Write and/or revise CDTA(s)• Leadership discussions with owners managers, and other preceptors• Pharmacist month activity• Attendance and travel to NCPA Annual and Northwest Pharmacy Convention• Committee experience (i.e. DEI, Safety and Quality Assurance, etc.)	<p><u>Clinical Pharmacy Institute Opportunities</u></p> <ul style="list-style-type: none">• In-Home medication coaching• Group education events for Seniors• MTM program management
